## Arrowman Spotlight

The April Arrowman of note is Niko McAlister, of Talidandaganu' lodge.

Niko was elected to the Order of the Arrow in 2017 and became a Brotherhood member in 2019. Throughout his tenure in Scouting, Niko has held several leadership positions. Notably Lodge Chief and Vice Chief, and Chapter Chief in the Order of the Arrow, and several positions on camp staff and in his troop.

Niko exemplifies the OA Obligation through his passionate servant leadership and devotion to the ideals of scouting. One of his passion projects was building an enrichment center for Chimpanzees at the Chattanooga Zoo.

## Momentum: Discover Recap

by Jacob Ball

In total, over a thousand Scouts and Arrowmen from across the nation joined together to celebrate our roots in nature, and it is because of you that this event was possible, so thank you! Let's take a look back at some of the highlights from this event:

We started off Friday with our national leadership team welcoming us to Momentum: Discover at the opening show! A mood of peaceful serenity was set as we learned how to rediscover our passion for the outdoors together. After meeting with the national chair of the Boy Scouts of America, Dan Ownby, we closed off Friday night with a fireside chat with national officers, where they shared stories and experiences about the OA, as well as answered some of the questions regarding our order.

Saturday April 24th began with two training sessions: Proficiency in the Outdoors, which helped us brush up on our outdoor skills, and Thriving Together, which helped us find the meaning of a successful team. Afterward, our region chiefs competed in Region Chiefs Vs. The Wild to discover which of our region chiefs has what it takes to survive in the wilderness! Following an informative question and answer session with the national chairman and advisers, we learned how the Order of the Arrow and nature can work together at Discover Your World and how we can get the most out of Scouting in Soaking Up Scouting.

For those premium delegates for Momentum: Discover, all of these exciting trainings and activities can be watched and rewatched in a stream archive from the event at [momentum.oa-bsa.org](https://momentum.oa-bsa.org).
