In the middle ground, a large, dark-colored building with a gabled roof sits on a grassy shore. The background is filled with a dense forest of trees, some with bare branches and others with green foliage, under a clear blue sky.

Brothers,

I hope everyone has had an exciting and fun filled summer! Unfortunately for much of us youth it's time to get back to the books. It's also the time of the year that we kick Conclave planning into high gear. I apologize in advance for the long email, but a lot of information needs to be given to kick off the fall season!

### Fall COC

The Fall Council of Chiefs meeting will be November 2nd at **Camp McKee in Jeffersonville, KY**. This event will only be a COC. The Section Leadership Seminar has been moved to January. We will begin at 10:00AM EST and conclude approximately at 5:00PM EST. Lunch and overnight housing is provided. Please contact me if you plan to take advantage of housing.

### Section Leadership Seminar/COC

We have moved the SLS event to January and we have a **full weekend of activities** planned. The event will take place at Boxwell Scout Reservation in Lebanon, TN, on January 24-26. The officers and advisers will be putting together a weekend schedule that will begin on Friday, January 24 and end on Sunday, January 26. Please make plans to attend the entire weekend. We will provide more details soon. If you have any concerns or questions about the SLS/COC, don't hesitate to let me know.

## Section Officers' Goals

At our Section Officer and Advisor meeting, each officer developed three main goals we would like to see accomplished by the end of our term. I will list the goals in the following order: Section Chief, Section Vice Chief, and finally Section Secretary.

### Aaron Shepherd's Goals

- 2.) Promote High Adventure
- 3.) Create a positive way to communicate with lodges

### Hunter Jones's Goals

- 1.) Work productively with each Conclave chairman
- 2.) Work to develop the publication side of Quest
- 3.) Have the chairman turn in written plans

### Noah Robertson's Goals

- 1.) Have a minimum of six newsletters
- 2.) Try to develop an app for the Section
- 3.) Make sure information is updated and spread correctly throughout the Section

### “Do It”

Your Section Officers attended the Section Officer Seminar, or SOS for short, this past weekend. The theme of the seminar was, “Do It”. We were taught to get out there and just “Do It”, to make sure we have a very successful year. So, as your Section Leadership, we encourage everyone to get out there and “Do It” to get it done.
