## Langley Brents

Greetings E3! My name is Langley Brents, and I currently have the pleasure of serving as the lodge chief of Sequoyah Lodge in Northeast Tennessee. I am an Eagle Scout, the current newsletter chair, and a past trading post chair. When I'm not at a Scout event, you can find me playing live music, backpacking, or spending time with my friends and family. I got invested in Scouting by encouragement from my grandfather, and all 4 of my uncles who also made eagle. I'm a junior at Dobyns Bennett High School, where I am the squad boss of the Pulaski Club, which is the nation's only high school wildland fire club. As a section officer, I plan to increase communication between lodges through monthly Zoom calls, increase promotion for section- and lodge-level events by working directly with lodge officers, and finally provide youth with leadership roles throughout the section with the expansion of our volunteer board. The results of these improvements will be an increased connection between the lodge and the section, higher attendance at section and lodge events, and an increase in leadership opportunities for all Arrowmen.

## Luke Williams

Hello Arrowmen! My name is Luke Williams, and I'm from Pellissippi Lodge in Knoxville, TN. I currently serve as your section chief. I was inducted into our order in 2018 and have served as both a lodge and chapter chief. These different roles have provided me with numerous perspectives at all levels of the OA. I want to ensure our programs remain significant and impactful for today's members. Together, we will continue to create experiences that inspire excitement and pride, reflecting the needs and interests of Arrowmen. These efforts will help foster a thriving organization that promotes service, leadership, and lifelong growth for all members. For the past 15 months, I have had the opportunity to serve as your section chief. It has been a pleasure to help plan this weekend with our amazing officers, Conclave Vice-Chiefs (CVCs), and the highly dedicated service lodge - Pellissippi. If you see me this weekend, please come up and say hello. I'd love to meet all of you. I hope everyone has a great conclave!

## Hannah Neal

I'm Hannah Neal from Murfreesboro, Tennessee, a proud member of Wa-Hi-Nasa Lodge, and your section vice chief. I'm also a student at Middle Tennessee State University, studying Concrete Industry Management. On campus, I'm actively involved in Alpha Chi Omega and the American Concrete Institute's MTSU Student Chapter, which have greatly shaped my leadership and teamwork skills.

Running to be your section chief, I'm passionate about fostering unity across our diverse section. Our varied backgrounds are one of our greatest strengths, and I'm dedicated to building stronger connections and inclusivity within our community. I'm eager to bring impactful training and programming to enhance leadership development, lodge support, and event planning, ensuring every Arrowman feels inspired and empowered. Another priority of mine is improving communication between planning teams and lodges. Clear communication is the backbone of success, and I'm committed to keeping everyone aligned.

It's an honor to serve our section, and I'm excited about what we'll achieve together! Let's make it an incredible journey and vote for me as your section chief.

## Braydon Scott

Hey Everybody!

My name is Braydon Scott, and I currently have the privilege of serving as your 2024-2025 section secretary! On top of this, I'm a pillar lead for the National Communications Committee, leading 45 people on a weekly basis, as well as a past Nguttitehen lodge chief.

Outside of Scouting, I'm a junior at the University of Kentucky studying computer science, math, and Russian studies, and I love all things computers and tech.

Through my time in Scouting and in leadership, I've gained skills and learned things I believe would serve me greatly as an officer, serving each and every one of you. My experience as section secretary over the past year and a half has shown me what this organization can be, and I intend to build upon what we have now and work towards that future. I hope to make a lasting impact on the section but more importantly, on each and every Arrowman in attendance at lodge, section, and national events over the next year. If you have any questions or just want to come say hello, come find me this weekend!
